STUART COVE'S

June 28 - July 3, 2018

Tired of poor visibility, cold water and rough seas? Then join us for extended weekend trip to Nassau for 100+ foot visibility, 86° water temp and pond like seas as we **DIVE REEFS, WRECKS AND SHARKS**. This is an opportunity for optional shark dive where photographers and adventurers can get up close and personal with sharks. Once the sharks have finished feeding, have fun hunting in the sand for shark teeth.
