

St. Lucia

April 18-23, 2024

[Anse Chastanet Resort](#) is St. Lucia's only property with the iconic view of both the Piton and Gros Piton mountains floating upon the Caribbean Sea. The location of the property is unsurpassed, a private estate of 600 lush tropical acres bordering two soft-sand Caribbean beaches with pristine coral reefs just offshore.

The Anse Chastanet reef, just 10 yards beyond the water's edge at the resort, is home to more than 150 different species of fish including peacock flounders, octopus, needle fish, turtles, puffers, moray eels, parrot fish, lobsters and even sea horses.

Diving available at Anse Chastanet Resort includes great shore diving, boat diving, wreck diving and night diving.
